d'expertise

Carvin Pool Equipment is proud to present our 2023 sales meeting.
Since the beginning, we strive to provide you with the best of ourselves.
We are passionate about making the best equipment by optimising and analysing how we
conceive and manufacture our products.
We look to the future by improving constantly, while still providing excellent customer service.

Carvin Swag

North American company with over 50 years experience in plastic molding

A leader in the robotization industry with more than 10 robotic arms and injection molding machines up to 2400 tons

183k sq.ft of factory with 170 employees.

Carvin products are subject to rigorous sampling and product monitoring by our Quality Control team. Each pump is tested, each box of components is weighed.

A project development team keeping up-to-date on all new manufacturing and testing technologies.
